

The Village of
North Fond du Lac
...A Great Place to Live, Work & Play

Utilities

The utilities department personnel manage the daily operations of the public services utilities which includes the water, waste water, and storm water systems. Annual budgets are prepared, presented to the Village Board, and managed by the Director of Planning and Engineering and Director of Public Services.

Responsibilities and Services:

- Prepare annual budget
- Design and engineer Village infrastructure
- Prepare and submit government reporting forms requirements
- Maintain Water, Waste Water and Storm Utility systems
- Assist in utility billing.
