

Application for Special Use Permit

This application shall be accompanied by a plan showing the location, size, and shape of the lot(s) involved and any proposed structures, the existing and proposed use of each structure and lot, and shall include a statement in writing by the applicant and adequate evidence showing that the proposed use shall conform to the standards set forth hereinafter. The Plan Commission may require such other information as may be necessary to determine and provide for any enforcement of this Chapter, including a plan showing contours and soil types; high water mark and groundwater conditions; bedrock, vegetative cover, specifications for areas of proposed filling, grading, and lagooning; location of buildings, parking areas, traffic access, driveways, walkways, open spaces and landscaping; plans of buildings, sewage disposal facilities, water supply systems and arrangements of operations. A non-refundable fee shall be paid at the time of application.
