The North Fond du Lac Police Department/North Fond du Lac Police Benevolent Association is once again adopting a number of area families for the Christmas holiday through their annual 'Food for Families' program. As usual, a number of area businesses, churches, schools, and individuals, are supporting the police department in their effort to brighten the holiday season for less fortunate families. On December 21st, officers of the department will begin delivering approximately one week's worth of groceries, including a complete Christmas turkey dinner and gifts for children, to area families that the department has "adopted." This year the department has adopted 11 families.

Each year the employees of the police department look forward to having the opportunity to brighten the holiday season for area families that are in need of a little assistance. Chief William Lamb stated, "This is so important to us because it's an opportunity to help others, and it allows for the police to interact with residents in a more positive light."

Already this year, the Association has received non-perishable food items from the North Fond du Lac Community Center and Divine Savior Church. Additionally, St. Paul's Lutheran Church in NFDL has committed to making a monetary donation, and large food donations are also expected from the Friendship Learning Center and Bessie Allen Middle School PTO's.

Donations of cash, non-perishable food items and new, in-package toys can be made at the North Fond du Lac Police Department, which is located at 16 Garfield Street. Business hours for the police department are Monday-Friday 8AM-4:30PM. Any other groups or individuals that are interested in donating or contributing are asked to contact Karie Tackett or Teresa Rauls at the North Fond du Lac Police Department. They can be reached at 920-929-3760 during regular business hours.
