On Tuesday, May 25, at 6:00 p.m., the North Fond du Lac Police Department will present "Internet Safety for Parents – How to Protect Your Kids Online." The seminar promotes the "Take 25" Prevention Campaign and will take place at the North Fond du Lac Community Center, located at 280 Garfield Street. School Resource Officer Michelle Spencer-Fink will cover topics including: luring and grooming, chat room tools and logs of predatory communications, offender profiles and parental resources.

Take 25 is a national child safety campaign that encourages parents and guardians to take time to talk to their children about ways to stay safer. Created by the National center for Missing & Exploited Children (NCMEC), Take 25 promotes an ongoing dialogue between children, families and communities about child safety.

First proclaimed National Missing Children's Day by former President Ronald Reagan in 1983, May 25<sup>th</sup> serves as an annual reminder to the nation to renew efforts to reunite missing children with their families, remember those who are still missing and make child protection a national priority.
