The North Fond du Lac Fire Department was called to the scene of the former Lagoon Dance Club, located at 1050 Lakeshore Drive shortly after 7:00 pm on Thursday when witnesses reported smoke coming from the building. When firefighters arrived on scene, flames could be seen through the roof of the building. Firefighters from North Fond du Lac, the City of Fond du Lac, Town of Fond du Lac, Town of Eldorado and Van Dyne fought the fire for nearly two hours. The structure was a total loss.

Traffic was shut down on Highway 45 between Lakeshore Drive and Subway Road for several hours, and firefighters remained on scene through much of the night.

The cause of the fire remains under investigation.
