PLEASE TAKE NOTICE THAT the Village of North Fond du Lac Plan Commission will hold a public hearing on the proposed adoption of the *Village of North Fond du Lac Comprehensive Plan Update 2040*. The public hearing will be held on Tuesday, September 14, 2021 at 6:00 P.M. at the Village Municipal Building, 16 Garfield Street, North Fond du Lac, WI 54937. The Village Board will provide a second public hearing and act on the proposed adoption of the *Village of North Fond du Lac Comprehensive Plan Update 2040* at their monthly board meeting on Monday, September 20, 2021 at 6 P.M.

The Comprehensive plan update is a statement of public policy concerning the conservation and development of the Village. The plan provides a guide to where future growth and development should occur over the next 20 years. When the Village makes future decisions concerning land use development, the plan will be consulted. The plan inventories and analyzes the Village's physical setting, natural features, land use, population figures, economics, housing stock, transportation, and community facilities. Using these inventories and the plan's goals and strategies, a future land use plan for the Village of North Fond du Lac was developed.
