

## North Fond du Lac Brush and Yard Waste Pickup Schedule

The Village of North Fond du Lac will resume the pickup of brush from residential terraces starting Monday, April 6th. The pickup will continue every first and third Monday of the month through November 10th.

The village will also begin the spring yard waste pickup on April 6th. The pickup will continue every Monday through April 27th. All materials must be bagged and set on the curb by 7 am of the day of collection.

Residents wishing to dispose of materials on non-collection days may do so by taking their materials to the village garage located on the south end of Indiana Avenue. Residents are asked to remove their yard waste and grass clippings from the plastic bags before depositing it in the appropriate bin.

Commercial lawn care providers may also dump at the village garage by purchasing a \$300 Commercial Compost Haulers license. A license can be acquired by contacting the Municipal Building at 929-3765. More information can be obtained about brush and yard waste disposal by contacting the Municipal Building or through the village website at [www.nfdl.org](http://www.nfdl.org).
