

Liquor Liability and You

As a renter of one of the Village of North Fond du Lac's public facilities, there are some things you should know before you decide to serve alcohol.

1. The server of alcoholic beverages may be liable for injuries sustained by intoxicated persons.
2. The host of a social gathering may also be held liable for injuries caused by intoxicated guests.

To prevent the unnecessary pain and or injury of an accident, the village suggests the following:

1. Have available and promote the consumption of non-alcoholic beverages.
2. If possible, use a licensed bartender (operator) to dispense your drinks. The avoidance of a serious injury due to experienced handling may be worth the cost of the licensed operator.
3. Check each person's ID. You must be twenty-one to drink in Wisconsin!
4. Use wrist bands or stamps to identify those who have been properly ID'ed.
5. Limit the number of drinks per person.

If you suspect someone has had too much to drink:

1. Stop serving them!
2. Provide an alternative source of transportation.
3. If you cannot handle the situation, call the police.

I, _____, have read and understand the implications of serving alcoholic beverages on _____ at the event for which I have rented the _____. I further agree to hold the Village harmless in the event that a mishap occurs during my event.
